CONSTITUTION AND BY LAWS OF SPORTS COMMITTEE DISTRICT 38 AMA

A California Non-Profit Corporation Incorporated July 19, 2006

ARTICLE I – NAME:

Sports Committee District 38 AMA, Inc., hereinafter referred to as the “Sports Committee, Inc.” The initials AMA refer to the American Motorcyclist Association.

ARTICLE II – PURPOSE:

- A. The Purpose of the Sports Committee, Inc., is operating as the governmental body of District 38, making rules, regulations and decisions thereto, with the exception of professional events and to better the sport of motorcycling and to assist the member committees in dealing with their own problems as they arise.
- B. This organization is organized exclusively for educational purposes within the meaning of section 501(c)(3) of the Internal Revenue Code.
- C. Notwithstanding any other provision of these articles, the organization shall not carry any other activities not permitted to be carried on (a) by an organization exempt from Federal Income tax under section 501(c)(3) of the Internal Revenue Code of 1954 (or the corresponding provision of any future United State Internal Revenue Law) or (b) by an organization contributions to which are deductible under section 170(c)(2) of the Internal Revenue Code of 1954 (or the corresponding provision of any future United State Internal Revenue Law).
- D. Upon the dissolution of this corporation, after paying or adequately providing for the debts and obligations of the corporation, the remaining assets shall be distributed to a nonprofit fund, foundation, or corporation which is organized and operated exclusively for charitable, educational, religious and/or scientific purposes and which has established its tax exempt status under section 501(c)(3) of the Internal Revenue Code.

ARTICLE III – PRINCIPAL OFFICE

The principal office of the corporation is fixed and located at:

(ADDRESS OF THE ELECTED BOARD CHAIR). The Board of Directors is granted full power and authority to change the principal office location within the geographical boundaries of District 38. Any change shall be noted by the Secretary opposite this Article III, but shall not be considered an amendment of this Constitution and By Laws, originally adopted on July 19, 2006.

ARTICLE IV – MEMBERS

- A. The Sports Committee, Inc. shall be supervised/governed/managed/controlled by the Board of Directors as one distinct Committee. Additional committees may be created by a two-thirds vote of the entire board.
- B. Membership in the Sports Committee, Inc., shall be open to any American Motorcyclist Association Chartered Club or Chartered Promoter, within the geographical confines of District 38, upon completion of the following:
 - 1. Proper application made through the Secretary of the appropriate committee.
 - 2. Approval by a majority vote of the membership of that Committee.
 - 3. Payment of membership fee

3. Meetings:

Meetings of the Competition Committee shall be monthly on the Thursday that follows the Off Road Committee meeting.

I. Free Competition Cards:

All officers and members of the Board of Directors shall receive free offer of competition cards, and free admittance to the premises of any District 38 member club event. At the discretion of the President, officers shall receive free offer of cards in the first year following their tenure.

J. Amendments:

These Off Road Committee By Laws may be amended by a 2/3 vote of the Off Road Committee members in attendance at a Special Meeting called for that purpose or at the Annual Meeting of the Off Road Committee.

STANDING RULES

- Section 1.** In order for an individual to be eligible for nomination and election to an Off Road Committee office:
- a. An Election Committee (assigned by the Board of Directors) shall be responsible to see that all offices have qualified representatives for nominees.
- Section 2.** (This includes emergency services and land use fees, etc.)
- a. Entry fee for Hare and Hound cannot exceed \$50.00. Entry fee for National Championship Hare and Hound cannot exceed \$60.00.
 - b. Entry fee for Desert Scrambles cannot exceed \$50.00.
 - c. Entry fee for European Scrambles cannot exceed \$50.00.
 - d. Entry fee for Enduros cannot exceed \$50.00. Entry fee for National Championship Enduros cannot exceed \$50.00.
 - e. Entry fee for Grand Prix-type events cannot exceed \$50.00. This amount can be increased up to \$60.00. If the grand Prix held requires additional monies to put on the race. Such as payments to a city, county, highway patrol. The increase will have to be approved by the competition committee (by a majority vote).
 - f. Entry fee for Semi-Pro entrants at Desert Events cannot exceed \$5.00 over the Sportsman entry fee as described in paragraphs a. through c. above.
 - g. Any promoting club wishing to exceed the entry fee listed above in paragraphs a. through f. must have approval by a majority vote of the Off Road Committee. This must be done prior to printing of posters, etc., for the event, and further, the club must submit its records and receipts to the treasurer one (1) month before the Off Road Committee votes. One dollar may be added to the fees in a, b and c above without Off Road Committee approval if the bomb run is open on Saturday and there is emergency services in attendance.
 - h. There may be additional monies added to the normal entry fee to go for the surveying of BLM land. This money will be collected by the club or promoter hosting the race along with the entry fees and passed on to the district within 30 days.
- Section 3.** Clubs wishing to restrict events to certain classes of machines and riders shall do so only with prior approval of the Off Road Committee.
- Section 4.** Member clubs must apply for AMA and Off Road Committee sanctions for sporting events through the Off Road Committee. Open dates may be used by a club upon the approval of the District Referee.

- Section 5.** Grand Prix-type events shall pay points in the Desert Division. Clubs shall apply for these dates at the annual date board meeting. No competing events shall be scheduled for that date. Enduro events will be counted as desert point paying events. See competition rules Article III, Section 12 for details.
- Section 6.** The AMA Rulebook shall be followed in its entirety except for District 38 Sports Committee Supplement Rules pertaining to the type of events being promoted. Any club disregarding the above rule books shall have all future sanctions suspended until a hearing by the District 38 Competition Committee can be held and disciplinary action taken if necessary.
- Section 7.** Clubs may retain "copyright privileges" to the names of their traditional events by requesting same in writing to the Off Road Committee.
- Section 8.** Date Board.
- a. The date board meeting shall be held in the Second week of August each year. Date, time, and place to be set by Chair Officer.
 - b. A Desert club's/promoter's choice of a Desert date shall be determined by seniority, then by lottery drawing. Clubs with existing annual events will keep those general dates from year to year, unless that date is released by the Club. The order for remaining dates will go from lowest draw in the first round and then reverse order in the second, then repeat in subsequent rounds. For example: if five clubs/promoters draw numbers the first round would go in order drawn (1, 2, 3, 4, 5) followed by the reverse order in round two (5, 4, 3, 2, 1), and so on.
 - c. In the event two clubs/promoters choose the same date, it shall be determined by the body of the Off Road Committee present as to which club/promoter will be awarded the date. Any club/promoter that has moved from a date two times shall go directly to an open date or be withdrawn from the date board.
 - d. There shall be no District 38 races on the last two weekends of December each year.
- Section 9.** No member club of the Off Road Committee shall permit any of their club members to compete in any event sponsored by that club if those members have had a role in setting up the course. Any infraction of this rule would penalize all members of the sponsoring club 50% of their points earned to the date of the infraction. District 38 recognizes a bonifide member of a sanctioned D38 club as stated on their D38 application. Any changes in club status must be sent in writing to the appropriate steward and the District secretary. Falsification of club status will result in loss of 50% of points earned by the offending rider for the entire year.
- Section 10.** Member clubs and promoters who promote a sanctioned sporting event must mail a complete result sheet within 16 days after the event to all of

the individuals who have left a completely filled out envelope. Results shall include the following:

- a. Name and date of event in bold type.
- b. Name and District 38 riding number (or the word "applied") of all District 38 member finishers.
- c. Rider club affiliation if known.
- d. Riding classification (Beg., Nov., Inter., Ex.), and engine displacement
- e. Overall finishing position.
- f. Number of entries in each class.
- g. Name and phone number of referee.
- h. If trophies or awards are to be presented, the results shall set forth the date, time and place they will be presented or available. Said date and time shall 40 days from the date results are required to be reported.
- i. Results must be mailed by first-class mail.
- j. List club's members who are to receive volunteer points. As a minimum list them by District number, AMA number, name, class and skill at the end of the rider results (one-loopers at the end of the one-loop finishers, two-loopers at the end of the two-loop finishers). Annotate "wrk" in place of their overall finish position, list them after the DNF's and before any DQ'ed riders. Do the same for the Steward Reports, except list the riders in their respective classes. Club results posted on the District webpage are not considered official until the club has mailed (postmarked) rider and steward results or posted results at the race in accordance with AMA rules.

Section 11. The clubs and promoters shall report results of their events to the Competition Committee in the following manner, as prescribed by that committee:

- a. Not later than 1
- b. days following the date of the event by first class mail.
- c. A complete set of finishing results as sent to the riders, in addition to the standard report forms shall be sent to the Competition Committee Stewards by first class mail.
- d. A complete set of results as sent to the riders shall be sent to the District 38 Referee by first class mail within 16 days of the event.
- e. Delinquency in excess of 31 days after the date of the event shall result in the loss of 50 points to each member of the delinquent club.
- f. Two-day events shall have 3 weeks to comply with a, b, and c.

- g. Corrections of results shall be submitted in writing to the Referee, Stewards, and affected riders within seven days of the discovery of the errors.

Section 12. Clubs shall not litter the highways leading to the scene of their events. Directions to the area should be included on posters or flyers advertising the events.

Section 13. Clubs shall provide sanitary facilities at the events for both men and women, having adequate concealment from public view. Failure to comply will result in a fine of 120% of the cost of supplying sanitary facilities.

Section 14. Clubs must provide for clean-up of pit and spectator areas at all events.

Section 15. The Off Road Committee shall have the power to penalize any member club for infraction of District 38 rules. Penalties may consist of fines (up to \$1.00 per rider), loss of club points (up to 50%), loss of club member points (up to 50%) and/or loss of subsequent points events. Other penalties may be imposed if the club agrees to the penalty.

Section 16. Proposed changes to the Standing Rules must be read at one Off Road Committee meetings and voted upon at a second, unless in the opinion of the Chair Officer they are of an emergency nature.

Section 17. Clubs shall provide a thorough course clean-up within seven (7) days after the running of any desert event. Failure to comply with this rule shall result in the club being penalized 50% of all earned points. If after fourteen (14) days this rule has not been complied with, the District shall provide cleanup, and bill the offending club for the service, not to exceed five hundred dollars (\$500.00). In addition, each member of the club shall be penalized up to 50% of his earned points.

Section 18. No District 38 member club shall be in good standing unless all rules are complied with, and all dues, fines, penalties, and assessments are paid when due. Any District 38 member club found not to be in good standing shall forfeit all rights and privileges normally afforded a District 38 club.

Section 19. Penalties recommended by the Competition Committee will be enforced unless vetoed by the Off Road Committee by a 2/3 majority vote of those present.

Section 20. Exceptions to the Standing Rules can only be made by the Off Road Committee by a 3/4 majority vote of those present.

Section 21. All Off Road Committee motions must be made in writing.

Section 22. No member club of the Off Road Committee shall schedule or promote a non-sanctioned, non-point, or "outlaw" event on any weekend that a member club of the Off Road Committee is conducting a sanctioned point event. Any possible exceptions such as a "field meet" or "fun run" or an event outside of District 38 boundaries must be approved by a majority vote of the Off Road Committee a minimum of 30 days prior to any advertising of the non-point event. Any club disregarding the above rule

shall have all future sanctions suspended until a hearing by the District 38 Competition Committee can be held and disciplinary action taken if necessary. Violations of this rule may also be considered "conduct unbecoming to a club" as outlined in Article VI, Section D.

COMPETITION RULES SUPPLEMENT

ARTICLE I. GENERAL RULES

- Section 1.** The 2024 AMA Racing Amateur Competition Rulebook, hereinafter referred to as the “AMA Rulebook,” along with the District 38 and Series Supplemental Rules as approved by the AMA, shall be followed.
- Section 2.** All Flyers must be submitted to the Competition Committee 30 days prior to their schedule event. All event flyers must be approved by the Competition Committee before printing.
- Section 3.** No person under 18 years of age shall be permitted to compete in any sporting event without first completing the minor release and waiver requirements of the AMA.
- Section 4.** No rider is permitted to qualify more than one motorcycle for any meet except when such a meet includes events requiring equipment of different classification or displacement.
- Section 5.** A rider cannot enter and ride the same motorcycle in more than one class or classification except Vet (30+) Division, Senior (40+) Division, Super Senior (50+) Division, Masters (60+) Division, Women Divisions, and/or Grand Prix events.
- Section 6.** No one except riders officially entered may ride any race course on the day of the event. No rider is permitted to ride any course after the completion of the event, with the exception of desert events and public parks.
- Section 7.** One entry will be required to constitute a class.
- Section 8.** A competition rider must start, compete and finish on the same motorcycle. Rider may change any part on the motorcycle except the frame. Rider must complete the race under his own power; ride or push, no towing, etc.
- Section 9.** A sweepstake event may be run in Trail bike, Lightweight and Heavyweight Divisions but shall not pay points.
- Section 10.** Equipment is limited to manufacturer’s standard engine models as catalogued, with standard bore and stroke for that model, but allowing reboring up to plus .080” oversize. Motorcycles sold new with smaller displacement than the displacement class they must compete in (example, 305cc must compete in 350cc class) may be increased in displacement up to the maximum limit for that class. Removal of numbers or letters from the machine that identify model or displacement shall be reason for prohibiting machine from competing.
- Section 11.** Lightweight machines shall run on a centimeter-for-centimeter basis. Lightweight machines shall run on a centimeter-for-centimeter basis; 86cc to 200cc 2-stroke, and 86cc to 200cc 4-stroke bikes compete in this class.
- Section 12.** Heavyweight machines classes shall be 251cc and over.
- Section 13.** AMA approved helmets must be worn. Protective clothing is recommended. No shorts

- Section 14.** Exhaust Systems: Machines entered in all meets shall have mufflers/silencers which do not emit sound in excess of Federal and State of California regulations.
- Section 15.** No lightweight machines can operate in the Heavyweight Division at any time.
- Section 16.** At promoting club's and/or any competitions committee member's discretion any motorcycle or rider can be eliminated from competition for reasons of being hazardous to riders or spectators.
- Section 17.** The Competition Committee shall have the power to disqualify for the day or suspend any rider for cause, or penalize any rider up to 50% of the points he has earned for infraction of any rules of the Sports Committee, the promoting club or common sense safety procedures.
- Section 18.** Any harassment of promoting club or official by any entrant or entrant's guest shall result in the disqualification of the entrant involved.
- Section 19.** In addition to the Protests and Appeals requirements of the AMA Rulebook, the following shall also apply.
- a. All protests of rider, machine, or rule violations, must be clearly stated in writing and must be presented to the Referee (or acting Referee) of the club promoting the event not later than one hour following the termination of the event in question, or, if results are posted at the event site, one hour after the posting of results. Each protest must be accompanied by the appropriate filing fee identified in the AMA Rulebook.
 - b. Appeals of protest decisions must be in writing, must be postmarked no later than 48 hours after the decision, and must be mailed to the District Referee.
 - c. Protest of mailed results relating to situations not covered in paragraph (a) must be received by the District Referee within 10 days of the posting of the final results, must be accompanied by name and date of event being protested, and the name, address, telephone number, and the riding number of the person protesting the event. A \$25 fee may be required. If the protest is upheld, the fee will be returned.
 - d. Appeals of the District Referee or Competition Committee decisions must be in writing and filed with the AMA in accordance with the requirements of the AMA Rulebook.
- Section 20.** The entire Competition Committee and all officers may, by a 75% vote, modify the application of an existing rule when, in their opinion, circumstances involved are of such a nature that the strict enforcement of the rule would be contrary to the best interest of the sport.
- Section 21.** Clubs that do not attend the mandatory referee and risk manager meeting will be fined \$100.
- Section 22.** A rider must sign an entry form for each and every race entered and sign-up should stay open a minimum of 30 minutes before the start of the race. A rider under 18 years of age must have the signature of a parent or legal guardian on each and every application, or a notarized race application.

- Section 23.** For Quads, the number plate shall be mounted vertically to the front of the Quad and the fender card shall be mounted on the left hand front fender as close to the number plate as possible. **Under 16 years of age, can only run 250cc two stroke or 400cc four stroke max.**
- Section 24.** Crates will not reserve starting line spot – to hold a spot, either bike or rider must be there.
- Section 25.** All riders competing for points must use the official size of District 38 numbers. Failure to run proper numbers is subject to disqualification. Enduro events are excluded.
- Section 26.** Pit speeds for all District 38 sanctioned events is 15 MPH or less and at the discretion of the promoting club.
- Section 27.** A rider must volunteer the event or race and be a current member of a District 38 Club at the time of the event or race to be eligible for second place points; riders who are not a current member of a District 38 Club at the time of the race or event must pay the full race entry fee to receive second place points. Riders must have a current card for each class points are paid in. Volunteer points are to be paid at the clubs referee's discretion and as listed in the clubs results. If the rider is not listed in the results by the club's referee, no volunteer points will be awarded. Prior to the start of the event riders are required to provide the clubs referee with their district riding number, class, skill level, and AMA number for each set of volunteer points requested. Volunteer points will not be granted in more than two races per year and at a rate of second place points per event.
- Section 28.** Riders not holding a current District 38 card shall not accrue points for that event.
- Section 29.** Encourage all riders to have Pit Boards displayed in pits with rider (s) numbers prominently displayed.
- Section 30.** Radios are allowed to be used primarily for the purpose of safety and may only be used under the following conditions:
- a. Radios may not be used to gain an advantage over their competitors (such as spotting).
 - b. The race course must have a distance of no less than a 14 mile loop. Grand Prix or Enduro events would not qualify for radio use.
 - c. The race course must be more than one mile from the pit area at its furthest point.
 - d. You must register you frequency with District 38 before you may use them.
 - e. The use of a radio to help advance a racers position will result in disqualification and a one race suspension.
- Section 31.** If a race penalty results in the docking of a lap, the lap docked will be the lap the infraction occurred on.
- Section 32.** End of year awards:
- a. Maximum of three jackets and five plaques per class will be awarded.

- b. To qualify to receive an award at the end of the year a competitor must take part in 70% of the scheduled events for that year. Participation is racing (racers do not need to finish) and volunteering for points.

ARTICLE II. GRAND PRIX SRAMBLES

- Section 1.** A Grand Prix is a closed-course event. The course should include both natural and graded or paved terrain.
- Section 2.** Grand Prix events shall pay both Desert and Grand Prix points.
- Section 3.** Points shall be based on District 38 card holders only in respective classes. (Both Desert and G.P. card holders.)
- Section 4.** The approximate length of the course and the amount of time for each race shall be advertised.
- Section 5.** All clubs/promoters throwing G.P. events shall submit an outline for their event to the Competition Committee at least 120 days in advance.
- Section 6.** G.P. results (Standing Rules Sections 11 and 12) to respective stewards shall list G.P., Enduro, and Desert numbers in that class and division as listed on the application. (Non-district pie-plates are not to be listed.)
- Section 7.** Riders are considered finishers provided they make 50% of their class leader's laps and receive the checkered flag; overall results must show number of laps ridden.
- Section 8.** Rider classification will be the same as Desert classification or as the G.P. steward declares.
- Section 9.** Points will be paid separately in all recognized Desert and G.P. classes under the RIDERS' POINT SYSTEM Section 9.
- Section 10.** To receive points, riders must hold a card for the class they ride in. Riders may hold cards in more than one class.
- Section 11.** No Club/Promoter shall put on more than one (1) G.P. event in any one calendar year if there is ten (10) desert evens. There maybe two (2) G.P. events if there is less than ten (10) desert events.
- Section 12.** 40+(Sr), 50+(SSr) and 60+(Mas) be in two races: (1) 40+(Sr) Expert/Intermediate & 50+(SSr) Expert/Intermediate be in 1 race; (2) 40+(Sr) Novice/Beginner, 50+(SSr) Novice, 60+(Mas) & Women in a separate race.
- Section 13.** All sections of Article III are applicable to Grand Prix events with the exception of sections 3b, 5a, b, c, d, f, g, 6i and 12.
- Section 14.** Top 80% G.P. finishes go toward year end G.P. points.
- Section 15.** Contestants found practicing on the course prior to or during the running of the event (without being entered in the event), shall be grounds for disqualification from the event or meet.
- Section 16.** Vintage division – up to 1974 motorcycles, modifications are allowed with the exception of the following modifications: no disc brakes (front or rear), no single

rear shocks, unless provided as original equipment that year by the manufacturer, no water cooled motors, and only up to five inches of shock travel in the rear, and up to seven inches of front fork travel.

- Section 17.** Classic division – 1975 to 1979 motorcycles, modifications are allowed with the exception of the following modifications: no disc brakes (front or rear), no single rear shocks, unless provided as original equipment that year by the manufacturer and no water cooled motors.
- Section 18.** Only one Grand Prix per year will have points that crossover to Desert points. The club that held the race the year before will have the opportunity to host the race the following year. If the club does not wish to host it the following year there will be a lottery between the clubs that would like to host the event.

ARTICLE III. GENERAL RULES APPLYING TO DESERT EVENTS

- Section 1.** Advertised mileage within 10% plus or minus.
- Section 2.** Contestants found practicing on a marked desert course prior to or during the running of an event shall be disqualified from the event.
- Section 3.** The area from the starting line to the smoke bomb is not part of the marked course and may be scouted before the starting time. The marked course begins at the smoke bomb not be scouted before the starting time. Contestants must pick up the course near the smoke bomb and remain on course thereafter. Any rider obviously off-course will be subject to disqualification. It is recommended that the course continue in a straight line after the bomb for a minimum of 1 mile whenever feasible.
- a. A rider shall be considered to be "obviously off course" at any time a rider is observed riding on the course at a distance greater than 50 feet (approximately 8 bike lengths) from the marked trail. The rider may also be considered "obviously off course" if he is within 50 feet of the marked trail but on terrain that gives the rider a definite advantage over the rider that is on the marked course, such as a road or jumping out of a sand wash, or missing a checkpoint.
 - b. The sponsoring club will provide a bomb return trail which will be clearly marked with 7" x 9" white card with a 3" diameter red dot in the center. A distinctive ribbon will be provided by the district. The bomb return will be a minimum of 1/4 mile from the bomb run, utilizing off road trails only, to insure the safety of riders going to the bomb. No dirt road may be used.
- Section 4.** All riders must remain on course and approach checks from the proper direction. All checks should be arranged to eliminate course cutting.
- Section 5.** The start shall be a banner type start with, as far as possible, at least one mile of open terrain.
- a. All mass start type events will be started by the promoting club at their discretion when all the engines on the line are dead and by the dropping of a banner. Banner must be raised up for a least one (1) minute before it can be dropped. Starting banner must be in front of the starting line centrally located in

such a way that it can be seen by all contestants. No vehicle or banner other than that of the promoting club or emergency vehicles may be in front of the starting line when a race is being started. No exceptions. Riders with running engines will be disqualified. The start line must be sufficiently long to provide room for the estimated number of entrants per start to line up side-by-side, one deep. Each end of the start line must be adequately marked, including at least 15 feet of ribbon tied perpendicular to the line to retain riders within this boundary. If a larger than expected entry requires that the start line be extended on the day of the event, only the end with the least advantage will be moved.

- b. All Practice of the bomb area will cease 10 minutes prior to the scheduled starting time of the event. This will be so designated by five, 7" x 9" fluorescent day-glo orange cards on an 8-foot pole displayed on the banner vehicle, and will remain up until last start. European Scrambles refer to Article VI, Section 2.
- c. In case of false start (the starting of engines and proceeding forward to bomb by some riders before the official banner drop) roll-up banner while in vertical position and take down slowly, leave day-glo cards up, wait a minimum of 30 minutes, remark tank cards and proceed with official banner drop start.
- d. Any club starting a Hare and Hound, Desert Scrambles, or European Scrambles shall use the banner start.
- e. Comprehensive printed instructions must be distributed to each entrant; this is mandatory if there is no rider meeting. At the promoting club's option a rider meeting may also be held.
- f. Except Hare and Hounds, the following shall be the order of start: Line 1: All expert and amateur motorcycles; Line 2: expert and amateur quads; Line 3: novice and beginner motorcycles; and Line 4: novice and beginner quads. There will be adequate time in between start lines for dust to clear and sweeping of the bomb.

Section 6. Course markings shall be lime, ribbon, arrows, and fluorescent day-glow orange 7" x 9" cards.

- a. When arrows are used for marking, each turn shall be marked with black arrows on a contrasting day-glow background on 4 foot stakes one placed 100 feet before the turn, one placed 50 feet before the turn, and one at the turn.
- b. When the course continues straight through a crossroad, 1 arrow at the road.
- c. Markings must not be over 200 feet apart, or whenever possible each mark should be visible from previous marking.
- d. Danger marking shall consist of down arrows on course sufficiently in advance of hazard to allow even fast riders time to slow down for the danger and shall consist of a minimum of 4 fluorescent day-glow orange 7" x 9" cards (2 for Enduros) a minimum of 100 feet (75' for Enduros) in advance of the hazard on both sides of course.

- e. Road crossings shall be marked with day-glow on both sides of the course. Hazardous road crossings shall also be marked with fluorescent day-glow orange 7" x 9" cards as in Sec. 6(d) marked with a black "X".
- f. Course markings and methods must be stated in the rider instructions or at the riders meeting.
- g. Penalty Structure: Any violation of any safety rule shall be first heard by the Competition Committee and its recommendations given to the Off Road Committee. A fine to the club of \$1.00 per rider and loss of next year's race for not using day-glo cards and fine of up to and including \$1.00 per rider for inadequate danger markings may be imposed.
- h. A club must place observers on any alternate route for specific classes to positively identify riders taking the wrong route and so are obviously off course (unless a legal check is on the prescribed route).
- i. There must be a "funnel" of arrows 300 yards wide starting 300 yards before the bomb to funnel all riders into the main trailhead. The end of the bomb must be clearly marked using ribbon, flags and poles or some other distinguishing materials.

Section 7. Finishing position shall be determined by order of finish at the checkered flag with all legal consecutive checks. One (1) written lists of riding numbers shall be used at all legal checks. The checkered flag must be a minimum of 50 yards before the start of the finishing chutes. This shall be the finish to the race and 2 lap sheets are to be taken at the checkered flag. Any rider racing after passing the checkered flag is subject to disqualification.

Section 8. Desert courses shall provide a fifty-foot wide lane through pit and spectator areas whenever feasible. If not feasible, pit and spectator areas should be confined to one side of the course. All sponsoring clubs that have the need to provide gas pitting will post signs and enforce a mandatory 15 mph speed limit in pits; there shall be no pitting outside of designated pit areas. Club will provide signs stating 15 mph at start of pits and end of pits if speed rules apply. When entering or leaving the pits, a rider must use designated entrance and exit lanes. Failure to do so may result in disqualification. Use of excessive speed in the pits area can be disqualified. Clubs shall have signs at start and end of pits.

Section 9. A pit bypass shall be allowed if a club chooses to. There must be a clear separation between the race course (by pass) and the pit lane. At the pit entry area the rider must be slowed to no more than 15 mph or less to ensure that this area can be kept safe and give the rider time to recognize and understand the signage. Once a rider commits to pit row or the race course, the racer may not cross thru the separation line or any restricted areas. Doing so may result in a penalty. When possible the club should establish a merging section at the end of pit row. This section will allow the rider to come up to race speed before re-entering the race course. The racer coming out of the pits must yield to racers on the race course. There is to be no pitting between pit row and the bypass.

- Section 10.** It is the promoting club's responsibility to make sure that all entrants are in from the course. Sweep riders shall not pass racers still competing on the course. At European Scrambles, a sweep crew must cover the entire course between each race.
- Section 11.** A sponsoring club is responsible for reporting to a central control point the numbers and locations of stranded riders anywhere along the marked course.
- Section 12.** All desert events are subject to course inspection and approval before each event by the Competition Committee.
- Section 13.** Riding Enduros for Desert Points:
- If a rider has both a desert and enduro card they can earn points for both divisions.
 - Enduro clubs must send the desert steward the reports listing all district riders (Enduro and Desert) and their district number.
 - A desert rider must complete the distance advertised for their class to receive their desert points.
- Section 14.** At European Scrambles, Desert Scrambles, and Hare and Hounds, inspection shall be done on the starting line.
- Section 15.** The number of races that go toward year end desert points is the total amount of scheduled races minus two.
- Section 16.** Riders must elect prior to the start of an event to ride either as a 70% or one-loop rider for the event. This will be done by selecting the appropriate number of loops on the club's application. The rider will be considered a finisher if they take the checkered flag and complete the number of loops as selected on the application. Riders must ride the event with the correct numbers displayed on their number plates. Riders electing to ride 70% or the full distance for their class will receive (full) finisher points for their class/skill finish position as listed in the point's table at the end of this rulebook. 70% riders electing to ride as One-loop riders will be listed after the last 70% rider in their class. Note: this selection option does not apply at Euro Scrambles and GPs as riders need only to complete. 50% of the leaders laps to be considered a full finisher.
- Section 17.** All entries must have a muffler or silencer attached to their machine's exhaust system for the duration of the event to "legally finish" and acquire points.

ARTICLE IV. HARE AND HOUNDS (Refer to Standing Rules)

- Section 1.** A marked course over natural type terrain, 60 miles or longer.
- Section 2.** For checking purposes all riders must stop and be checked for positive identification. Consecutive type of marking such as first check to be No. 1 or A, second check to be No. 2 or B, and third check to be No. 3 or C, must be used. Lap check card shall be affixed to the top of the front fender directly under and forward of the number plate, under penalty of disqualification, at least 75% of the riders who check in at the next following check were in at check in question.

- Section 4.** Finishing chutes shall be "V" shaped with standard finishers entering on left, one loop (halfway) finishers on right, and be clearly marked accordingly.
- Section 5.** No rider shall be considered a finisher unless he has traversed the entire course as prescribed by promoting club for his respective class or division. Example--Beginners go one loop.
- Section 6.** Clubs may close the course no sooner than one hour after the first Novice finishes the entire course, unless otherwise specified in the riders' instructions.

ARTICLE V. DESERT SCRAMBLES (Refer to Standing Rules)

- Section 1.** A race that is like a typical desert race except the course is repeated to make up the total amount of miles with laps being a minimum of 20 miles in length.
- Section 2.** A marked course over natural terrain.
- Section 3.** For checking purposes all riders must stop and be checked for positive identification. Consecutive type of marking such as first check to be No. 1, second check to be No. 2 and third check to be No. 3 must be used.
- Section 4.** In a Desert Scramble, motorcycles and quads may race at the same time, but may not start together on the same starting line.
- Section 5.** The following shall be the order of start: Line 1: All expert and amateur motorcycles; Line 2: expert and amateur quads; Line 3: novice and beginner motorcycles; and Line 4: novice and beginner and all school boy quads. There will be adequate time in between start lines for dust to clear and sweeping of the bomb.
- Section 6.** A rider must finish the event to be eligible for awards and points. To finish, a rider must complete at least 50% of the overall class leader's laps; it is not necessary to take the checkered flag to finish. If class finisher turned in an odd number of laps, the number of laps will be rounded up. Example: if the class winner turned in three laps all other riders in the class must finish two laps to be eligible for awards and points.

ARTICLE VI. EUROPEAN SCRAMBLES (Refer to Standing Rules)

- Section 1.** A European Scrambles is defined as a mass start desert-type event. It shall be run over a closed course 6 to 16 miles in length with each event of a definite time duration, minimum of 45 minutes and a maximum of one hour in length. If there is a two row start, the race will be a minimum of one hour and a maximum of one hour and 15 minutes in duration. Events must consist of separate races for each division.
- Section 2.** Course will be closed to all practice and pre-running. Any rider caught on course will be subject to disqualification.
- Section 3.** Lap check cards are not used, and checks are of the written chain type without stopping the rider. Checks should be arranged to make any course cutting impossible without missing a check. Riders' numbers must be recorded at the starting line prior to start of race.

- Section 4.** A rider is considered a finisher provided he makes 50% of his class leader's laps and receives the checkered flag. Clubs must have the number of laps completed by each rider listed on the results.
- Section 5.** European Scrambles shall have a marked bomb-run and return trail which shall be open for practice prior to the first race only. See Article III. Section 3. And 5.b. No funnel will be required.
- Section 6.** The following classes shall be combined at all European Scrambles: 200, 250, & 500 Int. and Ex. 200, 250, & 500 Nov. and Beg. Women, 60+(Mas), 40+(Sr) Nov. & 40+(Sr) Beg. will have a two row start-- Expert/Intermediate on first row, Novice/Beginner on second row.
- Section 7.** There shall be a mandatory two row start for the 40+(Sr)/50+(SSr) Int. & Ex.

ARTICLE VII. TEAM RACES

- Section 1.**
- Riders will only receive points in the class which the Team is entered.
 - Both riders must be qualified to ride in the class entered either by age, sex or bike size.
 - If a team consist of an unclassified rider (non D38 member) and a classified rider (D38 member), the team can run in the classified riders class but will not be eligible to receive a trophy or transfer points.
- Section 2.** Bikes must team with bikes & quads must team with quads.
- Section 3.** Any skill level can team with any other skill level. The higher skill level will determine team classification.
- Section 4.** All bikes & quads must team with someone in the same Class or Ironman.
- Section 5.** If two vehicles are used, both vehicles will run identical numbers.
- Section 6.** All teams will race until the checkered flag is displayed, including beginners.
- Section 7.** Each team will have a numbered wristband corresponding to their team number for the event. Wristband will be issued to the rider starting the event at the starting line or at sign up. Only one wristband will be issued per team—verified by a check-off list.
- Section 8.** Arrival at any checkpoint without wristband is cause for disqualification.
- Section 9.** Promoting club must verify number on wristband with team number at finish line.
- Section 10.** All clubs promoting a Team Race shall submit an outline of their event to the Competition Committee 60 days in advance.
- Section 11.** Each competitor on a team must, at a minimum complete one full lap or the equivalent to distance of one lap for that rider to receive points. If one rider fails to complete the distance of one lap, the other rider may continue and receive points as an ironman.

ARTICLE VIII. – ENDUROS

Refer to the District 37 rulebook for enduro rules. These to be added later as needed.

ARTICLE IX. DESERT 30+(Vet) DIVISION

Section 1. Must be 30 years or over.

Section 2. Desert 30+(Vet) Division shall consist of one class.

Section 3. 30+(Vet) Division riders will comply with rules set forth in Articles I, II, III, IV, V and VI.

ARTICLE X. DESERT 40+(Sr) DIVISION

Section 1. Must be 40 years or over.

Section 2. Desert 40+(Sr) Division shall consist of one class.

Section 3. 40+(Sr) Division riders will comply with rules set forth in Articles I, II, III, IV, V and VI.

ARTICLE XI. DESERT 50+(SSr) DIVISION

Section 1. Must be 50 years or over.

Section 2. Desert 50+(SSr) Division shall consist of one class.

Section 3. 50+(SSr) Division riders will comply with rules set forth in Articles I, II, III, IV, V and VI.

ARTICLE XII. DESERT 60+(Mas) DIVISION

Section 1. Must be 60 years or over.

Section 2. Desert 60+(Mas) Division shall consist of one class.

Section 3. 60+(Mas) Division riders will comply with rules set forth in Articles I, II, III, IV, V and VI.

Section 4. All 60+(Mas) ride one-loop in a National Hare and Hound event. There are no such limitations for any other District 38 events; Masters class rides all laps.

ARTICLE XIII. WOMEN DESERT DIVISIONS

Section 1. A female rider shall not be required to enter Women Classes or join the Women Divisions. An entrant in the Women Classes may enter and ride the same motorcycle/quad in other District 38 classes on the same day, provided the classes are not run concurrently. Women Classes shall not pay points in any division other than Women Divisions.

Section 2. Rider Classification.

- a. Women Divisions riders shall be classified as Experts, Intermediates and Novices. A new rider in the Division shall be classified as a Novice unless she has earned a higher rating in a corresponding division of racing. Transfer rides earned previously in District 38 shall be honored in the appropriate Women Subdivision.

- b. A woman who earns a higher classification in another District 38 Division shall be automatically raised to that rating in the appropriate Women Subdivision, although the reverse shall not be true.
- c. A non-District 38 (pie plate) entrant shall be defined as any rider who is not eligible to earn points or a trophy in the Women class that day. A pie plate entrant from another Women Division may use her classification, but pie plates with only men's class ratings must compete as at their AMA skill level.

Section 3. Desert Women point structure will use the regular points chart as any other class.

Section 4. A Woman Novice will go one loop on a Hare & Hound only; if the second loop is deemed too difficult.

Section 5. Grand Prix-- Women Classes shall run the full course and the full time as all other classes except by a majority vote of the Women Class entrants at a riders meeting called by the sponsoring club.

Section 6. These rules shall supersede any other conflicting District 38 rules when applied to any Women Division class. In any situation which is not covered by the Women Division rules, the regular District 38 rulebook shall apply.

ARTICLE XIV. SEMI-PROFESSIONAL EVENTS

Section 1. A Semi-Professional event is defined as one which awards money prizes to "A" class (Expert) riders up to the limit as set by the current AMA Amateur/Semi-Professional Rulebook.

Section 2. The Purse.

- a. If the "pay back" method is used, the amount of the purse is computed based on the number of entrants in each Expert class paid that day.
- b. A "guaranteed cash purse" must be awarded in its entirety, but may be suspended in case of rain IF so noted on the poster and in all advertisements.
- c. A schedule of purse distribution according to race position must be displayed as early in the day as possible.
- d. Purse prizes must be awarded in cash on the day of the event unless prior approval is granted by the Competition Committee.
- e. Positive identification is required of each purse winner, and his signature acknowledging receipt of the correct amount, before he may obtain his purse money.
- f. Money prizes won in Desert or Grand Prix events may, at the discretion of the promoting club, be distributed by check or cash at the day protest period for written results would then apply.

Section 3. Expert classes competing for money purses may be combined with other classes, but must be given separate start ahead of the non-paying classes except for Desert mass-start events.

Section 4. An Expert may take a "Sportsman option" wherein the lower Sportsman entry fee is paid, but he is then not eligible for a cash prize. Only District 38 cardholders who are competing for points in that class are allowed to exercise a "Sportsman option". Sportsman Experts shall start, race and be scored with the Semi-Pro entrants, and may be awarded trophies at the discretion of the promoting club.

Section 5. Same Day Results.

- a. Results at track events must be displayed as soon as possible after each Semi-Pro event, moto, or heat, so as to allow for protest time before the purse is distributed.
- b. Time of posting must be noted on the face of the results sheet at the time they are first displayed. Contestants have one (1) hour from that time to make written protests to the promoting club's Referee. Awards may not be made to the Semi-Pro entrants until this time has elapsed without protest. Protests of corrected results must be made within 30 minutes.
- c. Results are considered final at the end of the last protest period for each event, and are no longer subject to protest.

ARTICLE XV. NIGHT RACE

Section 1. Any race that starts 30 minutes before sunrise or continues past 30 minutes after sunset will be considered a night race.

Section 2. All course arrows must be made of reflective tape or reflective tape must be used to indicate the pointing direction of the arrow.

Section 3. Motorcycle/ATV must have a working forward-facing headlight that is made for on- or off-road use (no flashlights).

Section 4. Motorcycle/ATV or rider must have a working rear-facing red taillight. Taillight can be attached to the bike or the rider.

Section 5. For safety, every rider must wear a minimum 2" x 4" reflective tape on their front and back that is easily visible.

ARTICLE XVI. PIT ROW AREA

Section 1. The Pit Row Area consists of the area between the "Pit Row Start" and "Pit Row End" markers plus 100 yards on either side. The Pit Row Area designation becomes effective when it is marked and will remain in effect until at least two hours after the race concludes, or at such time the Club/Promoter of the event removes the Pit Row Start and End markers, whichever is later.

Section 2. The designated Curfew Hours for the Pit Row Area is between 10:00pm and 5:00am. No activities that generate excessive noise (i.e. loud music, fireworks, riding up and down pit row, etc.) are permitted in the Pit row Area during Curfew Hours. Exceptions can be made at the discretion of the Club/Promoter of the event if notice is posted in the Pit Area beforehand.

- Section 3.** Individual conduct within the Pit Row Area conduct shall not offend other racers, crew, or spectators.
- Section 4.** Punishment for Pit Row Area offences include: violators can be asked to leave the Pit Row Area, racers can be docked points off year-end totals, and/or race participants can be docked a lap or laps for the event.
- Section 5.** Pit Row Area offences may be enforced by the Club/Promoter of the event, or by a District Official.

ARTICLE XVII. RIDERS' POINT SYSTEM

- Section 1.** Points shall be awarded for finishing position for all types of events for all classes. Points will be awarded separately for each division of racing. Enduro points will be awarded separately and not included in Desert events totals. Points will be awarded according to the needs of the system of the Steward of each Division, but the same method will be used to compute points throughout the calendar year.
- Section 2.** Only those riders who are assigned and use their permanent numbers may be awarded points. Points shall not be awarded a rider who has not been assigned a permanent number, exclusion: Riders (without a permanent number assigned) who are signed up on a temporary application will be listed in the results and will receive points. These riders will be issued pie plate numbers with a letter "T" designation (i.e. T1, T2 etc.) representing them as District riders versus Non District Pie Plate riders designated as "P" (i.e P1, P2 etc.). No points will be awarded unless the specified number plate, with correct number as assigned, is affixed to the front of the rider's machine during the entire running of the event. Enduro riders will display numbers as assigned by the promoting club. All classes shall be reported on the standard finishing position report forms. These report forms will be available to member clubs from the Sports Committee.
- Section 3.** A racer must participate in 70% of the scheduled races to be eligible for the yearend awards. Participation includes racing (DNF's count) and volunteering (no more than two will count).
- Section 4.** Points shall stay with the club to which rider belonged when earned.
- Section 5.** Desert riders' point totals for the year are computed on the basis of each rider's best rides of the year, which excludes 20 percent (rounded) throw out of the lowest scores earned of the total races held.
- Section 6.** Sports riders' numbers and competition cards showing the rider's name, and skill, and class will be issued following point computation each year. Registration fees will be determined by the Board of Directors.
- Section 7.** At the end of each year, points will be totaled and riders' numbers for the following year will be assigned in order of finishing position. Earned numbers not applied for will not be issued to any other rider.
- Section 8.** The following are competition divisions of District 38:

Section 2. Desert classifications will consist of Expert, Intermediate, Novice, and Beginner. Enduro classifications consist of "A", "B", "C", and "D" riders.

Section 3. A rider may be reclassified at the discretion of the Competition Committee and the District President or vice president.

Section 4. A rider may petition the Competition Committee to be reclassified if there are not enough competitors to advance.

Section 5. A rider who attained Expert Status on heavyweight machines will be classified as Expert in the Lightweight Division.

Section 6. Whenever a Lightweight rider has attained Expert status, he will be classed as at least an Expert in the Heavyweight Division.

Section 7. Changes in rider classification become effective immediately upon notification from the Competition Committee.

Section 8. To compete for District 38 points and awards, every rider residing in District 38 shall have both a current District 38 and AMA card.

- a. Riders who do not have or do not use their cards and numbers shall be classified as "pie plates."
- b. Clubs are recommended to charge a handling fee of \$10.00 from each non-District 38 pie plate entrant, in addition to the regular entry fee.
- c. Non-District 38 pie plate riders shall receive no points and shall be listed on results by engine displacement and the abbreviation "P" in the vehicle number. If a rider becomes a classified rider before the next race he may be given the point if he requests them.

- d. An unclassified rider is not entitled to transfer point or trophies. It is recommended that pie plate riders be awarded trophies at the sponsoring club's discretion.
- e. It will not be mandatory for an out of District 38 rider to sign up in District 38 point system if he has and can show evidence of classification by his own District. If he has no local classification he shall be classified as pie plate in the class of their choosing. Pie plates may not be eligible for trophies; however, the decision to award trophies will be up to the promoter's/club's discretion.
- f. Any rider, from any District including other D-38 divisions, holding a valid, current classification or current professional license, may enter any District 38 event as a pie plate rider. He shall receive no District 38 points, but shall be exempt from the \$10.00 handling fee.
- g. Clubs shall be free to restrict Non-District 38 pie plate riders from their events by so advertising.
- h. D-38 members wishing to race for points in one or more classes must obtain a District License for the additional class(es) from the respective Steward(s) or no points will be awarded. The cost for additional licenses will be \$10 each.

Section 9. A rider may receive points in only one class of a Division in a day's program.

Section 10. No rider may enter or compete in a class higher than his assigned classification.

Section 11. Transfer Rides. See Section 2.1, Subparagraph B of the AMA Rulebook.

- a. Beginner Class is not mandatory. A rider may transfer to Novice by request to the respective Steward at anytime.
- b. A rider may not self advance to another skill level due to safety concerns, unless it does not move them to the next starting line in District 38 or District 37 events.
